

Here's the Splendid Program for the Concert to be given next Friday Evening at Elm Hall

AND REMEMBER THAT A DANCE WILL FOLLOW THE MUSICAL
NUMBERS—SOLOISTS AMONG THE VERY BEST PERFORMERS
IN PHILADELPHIA—HAVE YOU BOUGHT YOUR TICKETS?

Everything is ready for the splendid concert and the big dance to be given next Friday evening, January 9, in Elm Hall, under the auspices of the Narberth Tennis Association. But the question that you must answer, Mr. and Mrs. Narberth Folks—if you enjoy really good music and like to dance with congenial people—is, have you secured your tickets?

The seating capacity of Elm Hall is limited, and only enough tickets to equal that seating capacity will be sold. Already many tickets have been sold and additional demands are being received every day by members of the Tennis Association. But frankly speaking, the number of tickets that may still be bought is comparatively small.

Chiefly because the Tennis Association is anxious that as many as possible of the Narberth folks as enjoy good music and dancing may attend the affair next Friday night, the members hope that every ticket will be bought—and what is more, used.

Just look over the program of the concert and see for yourself the character of the music to be rendered, and if you are at all familiar with the best singers and musicians of Philadelphia, you will recognize every name on the program as being among the leaders in Philadelphia's musical world.

Just remember that the concert and dance is next Friday evening, January 9, and that the affair will be at Elm Hall and will begin at 8 o'clock. If you haven't secured your tickets see any member of the Tennis Association, and if he has sold all his tickets, he will do his best to get some for you from Chairman Pattison, of the Entertainment Committee. But don't wait until the last day, because the indications now—just one week before the concert—are that every ticket will be sold. The Entertainment Committee will try to accommodate every one that wants to attend, but the safest thing to do is to secure your tickets as soon as possible.

At the residence of Mrs. Robert Dohard, Wynnewood avenue, above Windsor, the members of the Woman's Community Club and their friends will spend the afternoon of January 16th in games of bridge and five hundred. The price of a ticket is 75 cents.

The committee in charge request those having taken tables to bring the returns of their tickets to the regular meeting of the Club on January 13th. The proceeds go into the treasury of the Club to help defray the regular expense of lectures not covered by the small annual dues.

Parties preferring to progress will be accommodated. There will also be light refreshments served and prizes awarded the successful ones. Several tables have already been taken and a delightful afternoon is anticipated. So be on time that the afternoon may not be too short on Friday, January 16th, at 2 o'clock.

The Christmas exercises of 1919 go down in our school history with particular emphasis.

THE FIRESIDE

Happy New Year.

New resolutions are now in order.

Mr. and Mrs. George Orth and family spent the holidays in Philadelphia.

An efficient dollar is one invested in War Savings Stamps.

The 1920 motor license tags are much better than those of last year.

Mrs. Edgar Cockrill is spending several weeks in Buffalo. Mr. Cockrill spent Christmas there also.

Mr. A. Perry Redifer is home from State College convalescing from an operation for appendicitis.

Miss M. Robertson, of Peekskill, N. Y., has been the guest of Mrs. J. W. Joyce, of Wynnewood, for several days.

Dr. and Mrs. E. C. Towne and daughters spent the holidays at Mrs. Towne's home.

Dr. and Mrs. F. G. Bishop, of Ebensburg, Pa., spent Christmas with Mr. and Mrs. H. A. Jacobs, of Elmwood avenue.

Mrs. Susanna Deal Brooks, of Philadelphia, and Mr. and Mrs. Henry James Page, of Frankford, will be the house guests of Mr. and Mrs. John Bickford Brooks, of Dudley avenue, during the holidays.

There were three hundred and eighty-one sacks of parcel post mail received at the Narberth Post Office for distribution from December 17th to the 25th, inclusive, and during the same period two hundred and fifty-four sacks of parcel post mail were dispatched.

American Legion Post No. 118, of Bryn Mawr, will give a dance in the hall of the Bryn Mawr Fire House on Friday evening, January 16th. All Main Line members of the Legion are invited to come and to bring their friends.

Those who heard Miss Mary Fulton Gibbons at her recent violin recital in Narberth will be glad to know that she is to play at the evening service at the Presbyterian church next Sunday. Among the selections rendered will be Schuecker's anthem, "My Faith Looks Up to Thee," for quartette, violin and organ.

From present indications the Christmas Club of the Merion Title and Trust Company will far exceed last year's total from the Narberth office, when over 600 checks were mailed from that office alone, totalling over \$27,500. The club has been open only eight business days, and almost 500 cards have been issued, which when fully paid will equal last year's total, which shows those having cards last year have increased the size of their weekly payments for this year. The coming week will add many more to the club, as past experience has shown a greater number enter after the first of the year than before that date.

The club will remain open during January, but those contemplating joining should do so now, as it is easier to start at the beginning than to make the back payments. There are several plans offered. Members may select one or more.

Interesting Facts About the Y. M. C. A. Campaign

EFFORTS BEING CONTINUED AND
FURTHER RESULTS IN SIGHT.

Now that the Y. M. C. A. Campaign is over, that is, the spirited, team-worked, and public feature of it, it is interesting to review the results of the largest undertaking ever attempted in Narberth and the biggest and best campaign waged in the community, excepting only, of course, the wonderful responses made by the borough in the several important campaigns incident to the Great War.

Briefly the facts developed by the campaign indicate the following:

- 80 workers participated.
- 281 subscriptions received.
- \$24,105.00 amount of pledges.
- \$3,665.09 amount of cash received.
- \$3,000.00 largest pledge.
- \$1.00 smallest pledge.

The goal of the Campaign was \$40,000, and the Committee wants to assure the community that it is still on the job, working for further subscriptions, ready to receive any that come in, and has several very material ones which are in sight, and it is confidently expected will be received shortly. One thing is sure, the job is not done—must be done—and therefore will be pressed until it is done.

The interest and help of the many friends of the Association is appreciated. Much help can still be rendered by the Campaign workers and by the subscribers by keeping this worthy undertaking at heart and being alert to go after or report any possible prospect of further assistance.

Y. M. C. A. Annual Meeting

POSTPONED DATE WILL BE ANNOUNCED NEXT WEEK.

The annual meeting of the Narberth Y. M. C. A. announced in our last issue to be held Monday, December 29, had unavoidably to be postponed for several reasons.

It is hoped to make each annual meeting a special feature of the Association program, and the coming one, date of which will be announced next week, will be no exception.

An interesting and valuable program is being arranged.

The Women's Auxiliary Narberth Y. M. C. A.

The regular monthly meeting will be held on Monday, January 5th, at 8 o'clock promptly.

Mrs. G. Merritt Davis, Mr. A. J. Loos, Rev. Frank M. Gray and the Y. M. C. A. Quartette will appear on the program during the social hour. All members are expected and a cordial invitation is extended to all of our friends to join us.

Rummage.

We acknowledge receipt of packages of rummage from Mrs. J. G. Walton, Miss Mable Seymour, Mrs. J. S. Freeman and Mrs. Harvey, and thank them for same.

It is hoped that the practice of sending articles to the Y. M. C. A. at any time throughout the winter will continue. Provision has been made for storage until such time as we have sufficient to warrant another sale.

Fire Co.'s Building Basis for Memorial Hall

RESOLUTION PASSED NOVEMBER
21—BUILDING TO BE MAN-
AGED AND MAINTAINED
BY BOROUGH COUNCIL.

There seems to be a misunderstanding about the Memorial that the citizens of Narberth will erect to commemorate the services rendered by the soldiers and sailors who entered the Army and Navy of the United States to serve their country during the World's War.

About two years ago the Narberth Guard decided that Narberth would desire to have a Memorial and a reception on the return of our sailors and soldiers, and distributed Thank Boxes in order to raise a fund to pay for the reception as well as a nucleus for a proposed Memorial. The Guard also appointed a committee to take the matter in charge, and at the request of the Guard's Committee, the organizations in Narberth were asked to appoint two representatives to serve on a General Memorial Committee, and the committee has enlarged until it now consists of thirty-one.

The General Memorial Committee has held numerous meetings, notice of which has always been given to every member, at which a great many ideas were considered for Narberth's Memorial, and at the meeting held on the evening of November 21st, a resolution was passed to adopt the idea of a Memorial Hall, using the present Narberth Fire Company building as a basis.

The plan as outlined is to extend the south wall of the building out to the present building line; build a new front in Colonial architecture, similar to the Y. M. C. A. adjoining. A clock tower to be built at the southwest corner, extending high enough so that the four faces of the clock may be seen for quite a distance. Also place in this clock tower an electric alarm to call out our volunteer firemen. A bronze tablet is to be placed on the front of the building with an Honor Roll, giving the names of all soldiers, sailors and marines who enlisted from Narberth, together with appropriate marking to show those who lost their lives in the service. Appropriate lettering to be placed on the front of the building to show it is Narberth's Memorial.

By enlarging the building it will give a room on the first floor large enough to take care of the need of the Borough Council, with a room on the second floor, called the Trophy Room, for the use of the American Legion.

This Memorial when completed will cost somewhere in the neighborhood of \$15,000, which cost will include the extension of the building, new front, bronze tablet, clock tower, clock, and the payment of the present indebtedness on the building, and the finished structure to be presented to the Borough of Narberth by its citizens, free of debt.

The American Legion, made up of the veterans who served in the war, has a post in Narberth and will have the Trophy Room for their small meetings, and the large hall at any time they desire for their larger meetings or entertainments, without rent or any expense for light and heat.

The building, being owned by the Borough, will be managed and maintained by Borough Council, and Council has already passed a resolution approving the idea of this building as the Narberth Memorial.

The Fire Company and apparatus will be housed in the building as at present, and by the Fire Company donating to the Borough their equity now owned by them in the present building, of at least \$10,000, will make Narberth Memorial, when finished, represent a cost of \$25,000 or \$30,000, and a building that no one need be ashamed to point to with pride as Memorial Hall.

Editorial

HOLIDAYS AT THE POST OFFICE DEMONSTRATE THE NEED FOR CARRIER SERVICE AT NARBERTH.

One busy place during the holiday season was the Narberth Post Office. According to Postmaster Haws, the volume of Christmas mail, letters and cards handled was far in excess of any former year, while the parcel post received for distribution and dispatched was 20 per cent. in excess of last year's business. The Postmaster reports having received 384 sacks of parcel post mail for distribution in Narberth during the period from December 17th to 25th, inclusive; during the same period 242 sacks were dispatched from Narberth to outside points.

A representative of Our Town took occasion to observe the work of the Post Office force during the rush periods, and while some of the clerks were without much previous experience they went about their work like veterans, and we are sure our Postmaster and his helpers are to be congratulated upon the efficient and orderly manner in which the business was handled.

The population of Narberth has increased so rapidly and has now gotten so large that even with the present commodious quarters they now have it

becomes greatly congested in the lobby on the arrival of city trains, and this, with the inconvenience of the patrons having to carry home all parcel post packages makes carrier service a real necessity at this office. Our population is now about 4,000 (estimated), and Postmaster Haws advises that the receipts of the office are sufficient to warrant application for free delivery. Other requirements, such as paved streets, sidewalks, numbered houses are in effect, so that it appears that it should not be a very difficult matter to secure this much desired service.

When asked regarding the prospect of securing carrier service, the Postmaster stated that he had consulted with a Post Office Inspector for this district regarding the service and that later developments will be given the public through Our Town. One requirement necessary is a petition for the service signed by professional and business men of the community, as well as other patrons of the office.

To the Editor of Our Town:

I desire to thank the ladies of the "Community Centre" of Narberth for their kindly consideration of Miss Mary Steven, a shut-in. The kindness shown her is indeed very much appreciated by herself and family.

F. W. E. STEVEN.

To the Editor of Our Town:

I desire, through Our Town, to sincerely thank the members of Harold D. Speakman Post, No. 356, American Legion, for the beautiful gift of a basket of fruit at Christmas, and fully appreciate the regard and sympathy of the Legion for a disabled member.

School Notes

"Without halting, without rest.
 Lifting better up to best."

A Happy New Year to one and all! As we face the new year we look to the future, of course. But there are some things in the recent past that are worth relating.

There has at no time been such a large and representative audience present at the evening carol service. The boys and girls, as should be expected, did their part well under the dignified and forceful leadership of Miss Cross. The audience was exceptionally appreciative. Everybody and everything breathed the spirit of Christmas.

The decorations of the auditorium were especially attractive. The large tree, decorated by the Senior Class, according to "traditional custom," occupied its usual place. This year it was of particular interest to those who knew its decorations were the gift of our genial school secretary, Mrs. Crater. The touches of laurel, carefully placed here and there, were set off so well by the buff walls and beautiful brown of our artistic auditorium. The writer wonders how many citizens of Narberth have ever seen our auditorium. Many citizens during Christmas week were heard to say: "I never knew Narberth had such a fine auditorium."

But if the carols were fine and were enjoyed by audience as well as students and faculty, they were but a

taste of the good things in store on Tuesday afternoon. The program by the elementary pupils was pronounced "the best ever." That may be an over-worked phrase, but it's the only applicable one.

The program consisted of three parts: Short selections, either songs or recitations; a short "play," and a Christmas operetta composed by Miss Cross.

From the usual charming renditions of the first grade, under direction of Miss Wetherill, to that of the older pupils, every teacher of the elementary grades deserves commendation. There was no weak link that seemed strained in a long chain of happy and worth while entertainment.

A bountiful donation of toys, groceries and clothing went from the school to the University Settlement Home.

The closing remarks by President McCarter taught us all a lesson in giving as well as receiving. The apt illustration of "two hands made out of one" drove home the point.

Notice: Beginners will be admitted during the week of January 5th, provided they present certificates of vaccination. All other entrants are required to present proof of vaccination. This is a State law, which must be adhered to.

The Alumni Association held its annual Xmas meeting last Monday. The meeting was an informal social gathering and was very well attended. Both the boys' and girls' teams of the High School challenged the Alumni teams to basketball games, which were played that evening, after which everyone adjourned to the auditorium to an informal dance.

FIRE COMPANY'S BUILDING BASIS FOR MEMORIAL HALL.

(Continued from Page 1.)

The rent now being paid by the Borough Council, of course, will cease. The rent being paid by the Building and Loan and the Board of Health, as well as the revenue received from the use of the Dance Hall, will, of course, accrue to the Borough, and the building will not only be improved in appearance, made more suitable to the present needs, but the entire cost of the changes will be a direct benefit to every taxpayer in the Borough.

Merion has been fortunate in having one of her citizens donate his home to be rebuilt as a Memorial; Ardmore has plans for a Community Building as a Memorial; Germantown has adopted a building for their Memorial, and the Borough of North Wales will turn one of its present buildings into a Memorial. The American Legion has approved the idea of buildings to house the different posts as their idea of what a Memorial should be.

Plans are now under way for the Memorial, and as soon as it is possible

a cut will be placed in "Our Town," showing the front elevation of the finished Memorial. A Committee meeting will soon be called to devise ways and means to procure the necessary money, and it is hoped that every man, woman and child in the Borough will assist in paying for this building in the final drive on account of the war.

WOMEN'S COMMUNITY CLUB

The Women's Community Club of Narberth held its regular meeting on Tuesday, December 30th, in the Y. M. C. A. Following the usual routine of business a few brief remarks were made by the President, Mrs. C. P. Fowler, on the coming Thrift Campaign.

The address given by Mr. John Ihlder, of the Housing Association of Philadelphia was very interesting. Mr. Ihlder emphasized the lamentable conditions of many of the Philadelphia homes that were actually unfit to live in.

Mrs. Lewis R. Smith, vice-chairman of the Pennsylvania League of Women Citizens, outlined the Citizenship School to be held in the Witherspoon Building for six consecutive days, beginning January 9 to January 15, at 10.30 A. M. Evenings 8 P. M.

Mrs. Nancy M. Schoonmaker, a prominent lecturer and author, will conduct this course of lectures. Mrs. Schoonmaker has conducted similar schools in several other States.

To the women goes the credit of establishing the first school in citizenship, and with the vote in the near future it is well that women be instructed how to use this privilege intelligently.

Only a nominal fee of \$3.00 for the six lectures will be charged. The tickets are transferable and good morning or evening. Complete program will be published in next issue.

The hostesses for the day were Mrs. Roy E. Clark, Mrs. E. Muschamp, Mrs. Karstens and Mrs. Horton Williamson.

Club Chorus.

Special meeting of the Club Chorus is called for Monday evening, January 5th, at 7.30 P. M. at the home of Mrs. A. B. Ross.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
